

Poly Studio E60 Smart Camera 4K MPTZ with 12x Optical Zoom (9W1A6AA)

Harness the power of focus

Keep presentations engaging with the Poly Studio E60 smart MPTZ optical zoom camera. The main presenter is always in frame, and every person in the room is shown with exceptional accuracy, even at the far end. With every detail captured, presentations are easier to follow.

Zoom in on all the details

Whether in person or remote, keep your teams engaged no matter where they're seated. Make sure they pick up on every detail with true-life definition including small gestures and expressions even in large rooms with a 12x optical zoom.

Distractions out. Engagement in

The Poly Studio E60 smart optical zoom camera lets everyone see what's going on in the room. Presenter tracking and AI-driven framing modes make sure the focus stays on the all-important action so nobody misses a beat, no matter where they are.

A simplified setup and easy to use

Kickstart meetings without delays and make every minute count with the Poly Studio E60 smart optical zoom camera. Its flexible connectivity and compatibility with top conferencing platforms simplifies things so you can solely focus on your presentation.

Featuring

Keep the focus right where it belongs

Eyes for everyone. With a 12x optical zoom, the Poly Studio E60 smart MPTZ optical zoom camera can zero in on every detail and pick up content with amazing clarity, ensuring a deeper connection, and letting nothing escape its view.

Keep the presenter center-stage

Poly DirectorAI presenter tracking keeps the main speaker in focus during presentations, lessons, or speeches. It zooms in and follows them in real-time for a seamless, engaging virtual experience with minimal distractions.

Catch every detail in 4K

The ultra-HD imaging system and 4K sensors deliver stunningly detailed and sharp images for a visual experience that feels lifelike and true to reality, and makes virtual attendees feel more included and engaged.

In frame. In focus. Engaged

Keep all participants in-frame and engaged with Poly DirectorAI group framing. It smartly captures the entire group on screen, removing excess space and adjusting the angle for equal visibility. With everyone in frame, no one gets left out.

No elaborate or complex set up

IT will find the Poly Studio E60 smart MPTZ optical zoom camera easy to install on a monitor, wall, or ceiling. Its user-friendly setup allows for convenient and flexible connections over IP or
